Datblygwyd y syniad ar gyfer y prosiect yma o ganlyniad i lwyddiant ac effaith prosiect 'Lleisiau' nôl yn 2017 ac 'Ein Lleisiau' yn 2018.

The idea for this project developed due to the success and impact of the 'Lleisiau' project in 2017 and 'Ein Lleisiau' in 2018.

Bu criw o bobl ifanc o Ysgol Tryfan a'r artist Nerys Jones cynnal gweithdai yn Caffi Hafan, Bangor, i unrhyw un a hoffai ymuno.

A group of young people from Ysgol Tryfan and artist Nerys Jones held art workshops at Caffi Hafan, Bangor, for anyone who wished to attend.

Bu'r unigolion hyn yn gyfrifol am feddwl am themâu a'r math o gelf yr oeddynt yn ei greu. Dros gyfnod o 10 wythnos ein nod oedd sicrhau bod y gweithdai yn cael eu cyd-arwain rhwng pawb a phawb yn rhannu syniadau a sgiliau.

The individuals who took part were responsible for conceiving the themes and the type of art they created. Over a 10 week period our aim was to ensure that the workshops were led collaboratively and that everyone shared ideas and skills.

Y bwriad oedd defnyddio celf fel modd o bontio'r cenedlaethau a chreu cyfeillgarwch newydd.

The intention was to use art as a means of bridging generations and forging new friendships.
