Tickets for the Bangor performances are sold through Pontio. You can buy tickets on the day and just before the performance but please check in advance for availability.

We recommend that all tickets are purchased and collected from the Box Office in Pontio at least 20-30 minutes before the start of the performance.

We advise audience members to check any large luggage into the cloakroom before the performance.

Your ticket will be checked during the performance itself so please keep hold of it for entrance to the theatre.

Full information about public transport, parking and facilities at Pontio can be found on its website at: <https://tickets.pontio.co.uk/online/parcio>

THE SHOW

P.A.R.A.D.E. is an outdoor and indoor experience.

The age guidance is 8+. We cannot admit babes in arms or small children under the age of 2. In wet weather the performance will still continue outside. Please dress appropriately for the weather.

Children under the age of 16 must be accompanied by an adult (18+), parent or guardian and must each have a valid Ticket.

The show will start at 7.30pm on Saturday 28 October and 3pm on Sunday 29th October prompt. The show will commence in Pontio's external performance space on Level 2. On arrival, stewards will direct you to this area.

The outdoor performance is a promenade, which means we will be moving you through the performance. During the outdoor performance there will not be seating provided at any point, apart from limited seats for those with additional mobility needs. The outside performance will last roughly 20 minutes.

You will then be guided into Pontio around another performance area before entering the theatre for the indoor performance.

Inside the theatre you will be allocated seating based on your ticket booking.

The running time for the whole event is approximately 2 hours and 20 minutes including a 25 minute interval.

Please do not film or take pictures inside the theatre during the performance.

ACCESS

The performance outside does contain some use of strobe lighting and smoke.

There is a viewing area close to the stage for those in wheelchairs and access requirements.

There will be a short spoken section outside Pontio. For the hard of hearing a copy of the script is available on request. Please ask stewards and box office staff for a copy.
